A copy of the European Search Report is also enclosed for the Examiner's convenience. Copies of the cited U.S. Patent document are omitted.

Since the present Information Disclosure Statement is being filed prior to issuance of a first office action on the merits, no certification under 37 C.F.R. §1.97(e) or fee under 37 C.F.R. §1.17(p) is believed to be required. However, the Applicants do certify under 37 C.F.R. §1.97(e)(1) that each item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application, the attached European Search Report, not more than three months prior to the filing of the Information Disclosure Statement. However, should any fees be required, the Director is hereby authorized to charge the fees to Deposit Account No. 18-2220.

The Examiner is requested to consider the attached documents in connection with the above-identified application, and to return a copy of the Form PTO/SB/08 to the Applicants with the Examiner's initials in the spaces provided.

Submission of this Information Disclosure Statement does not constitute an admission by the Applicants as to the materiality of the attached documents to the application, nor do the Applicants waive any right to challenge the validity of the documents as prior art should such action be deemed appropriate.
